RE: **U.S. EPA Request for Information Concerning  
National Can Corporation's Use of  
Ninth Avenue Dump and/or U.S. Scrap**

Dear Ms. Swales:

The U.S. EPA letter dated March 9, 1988 requested detailed information concerning National Can Corporation's business dealings with Ninth Avenue Dump and/or U.S. Scrap.

American National Can has conducted a search of all available records and personnel in an attempt to locate any documents concerning the Ninth Avenue Dump and/or U.S. Scrap. We have been unable to find any documents which indicate that any National Can facility conducted business with either of these two businesses. If U.S. EPA provides American National Can with information as to the basis for their belief that National Can Corporation utilized these businesses we may be able to continue our search using those documents.

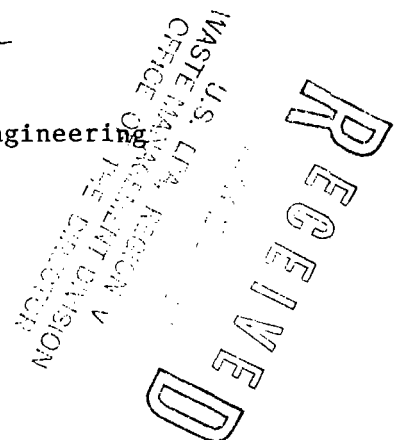

If you have any questions or require additional information, please do not hesitate to contact the undersigned at (312) 399-3392.

Yours very truly,

AMERICAN NATIONAL CAN COMPANY
